Subject: **ORIGINAL** TEP RATE INCREASE-NO!!! OPEN MEETING AGENDA ITEM...

Dear Mr. Gleason, I am writing to ask that at this time, you deny TEP's request for a rate increase. What horrible timing! In this economic meltdown, the last thing consumers need is a utility increase! This is why we did not approve any of the propositions on the ballot that asked for any tax increases, we simply cannot afford it at this time. Please do the right thing for us and deny the increase at this time.

Thank You,

Joni Brei
